## **2012 KICKS' Recital Participation Agreement Form**

***I have carefully read and understand all the information  
regarding participation in KICKS' annual recital.  
I am aware of the location, dates, and times,  
and am notifying you that:***

**The Day & Time of my child's class(es) is:** \_\_\_\_\_

If I checked above that my child will be participating, I understand and agree that the recital day is a priority over other activities/family events. I understand that dance is a group activity and that once recital choreography has been started it is unfair to the rest of the class to pull my child out of the routine unless there is an unforeseeable emergency situation. I understand and agree that the rehearsal is mandatory and that missing the rehearsal will result in my child not being permitted to perform in the recital. In this situation, I understand that no refunds for tickets or tuition will be issued.

I understand that my child's recital costume(s) and tights will be provided, at no charge, should I complete the full dance season. I understand that costume sizes are determined by the studio directors and recognize that sizes are approximate. I understand that minor alterations may be necessary upon receiving my costume(s) and agree to be responsible for such alterations.

I agree to do my best to bring my child to class regularly and cooperate with KICKS' recital policies to ensure that she and her classmates have a confident and positive performance experience. I understand that if my child misses more than 6 classes, during the time in which recital choreography is being taught, the studio directors reserve the right to refuse participation without refund of class tuition or tickets, or require the purchase of private lessons to learn/practice missed material. I further understand that in the unlikely event that the recital/rehearsal dates need to change, and I am unable to participate due to the change, that I will receive refund of my ticket costs, only.
